Environmental: Hall Committee Chairman John MacDonald gave a brief talk on future plans for Kilmallie Hall and its environs providing funding is available.

A.O.B.: I. MacIntyre has spoken to TranServ about roadside drains on the opposite side to Banavie School. Secy to follow this up with a letter.

M. MacIntyre to write to Highland Council about the indiscriminate parking on the corner at Tradewinds where the road goes downhill to the railway.

N. Mac Fadyen informed members that the bus stop opposite the Co-op has no sign either on the road or on the post. The layby is usually full of parked vehicles and often the buses don't stop. Secy to write to Chris Strong requesting that the bus stop is properly marked thus making drivers who park there more aware of the bus stop and hopefully leaving the actual bus stop clear so that bus drivers can see waiting passengers.
